

117TH CONGRESS
2D SESSION

H. R. 7752

To amend the Federal Insecticide, Fungicide, and Rodenticide Act to provide for a consistent definition for plant biostimulants.

IN THE HOUSE OF REPRESENTATIVES

MAY 12, 2022

Mr. PANETTA (for himself and Mr. BAIRD) introduced the following bill; which was referred to the Committee on Agriculture

A BILL

To amend the Federal Insecticide, Fungicide, and Rodenticide Act to provide for a consistent definition for plant biostimulants.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Plant Biostimulant
5 Act of 2022”.

6 **SEC. 2. EXCLUSION FROM REGULATION UNDER FIFRA.**

7 (a) IN GENERAL.—The Federal Insecticide, Fun-
8 gicide, and Rodenticide Act (7 U.S.C. 136 et seq.) is
9 amended by inserting after section 3 (7 U.S.C. 136a) the
10 following:

1 **“SEC. 3A. EXCLUSION OF PLANT BIOSTIMULANTS.**

2 “A plant biostimulant shall not be subject to regula-
3 tion under this Act.”.

4 (b) DEFINITIONS.—Section 2 of the Federal Insecti-
5 cide, Fungicide, and Rodenticide Act (7 U.S.C. 136) is
6 amended—

7 (1) in subsection (v)—

8 (A) by striking “vitamin-hormone horti-
9 cultural product” and inserting “vitamin hor-
10 mone product”; and

11 (B) by adding at the end the following:
12 “Such term shall not include a plant biostimu-
13 lant.”; and

14 (2) by adding at the end the following:

15 “(pp) PLANT BIOSTIMULANT.—The term ‘plant bio-
16 stimulant’ means a substance, micro-organism, or mixture
17 thereof, that, when applied to seeds, plants, the
18 rhizosphere, soil, or other growth media, act to support
19 a plant’s natural processes independently of the biostimu-
20 lant’s nutrient content, including by improving nutrient
21 availability, uptake or use efficiency, tolerance to abiotic
22 stress, and consequent growth, development, quality, or
23 yield.

24 “(qq) NUTRITIONAL CHEMICAL.—The term ‘nutri-
25 tional chemical’—

1 “(1) means a compound or mixture that inter-
2 acts with plant nutrients in a manner which im-
3 proves nutrient availability or aids the plant in ac-
4 quiring or utilizing plant nutrients; and

5 “(2) includes some plant biostimulants.

6 “(rr) VITAMIN HORMONE PRODUCT.—The term ‘vi-
7 tamin hormone product’ means a product consisting of a
8 mixture of plant hormones, plant nutrients, inoculants, or
9 soil amendments.”.

10 (c) REGULATIONS.—Not later than 120 days after
11 the date of the enactment of this Act, the Administrator
12 of Environmental Protection Agency shall revise the regu-
13 lations under subchapter E of chapter 1 of title 40, Code
14 of Federal Regulations (as in effect on the date of the
15 enactment of this Act) to carry out the amendments made
16 by subsections (a) and (b).

17 **SEC. 3. SOIL HEALTH STUDY.**

18 (a) STUDY.—The Secretary of Agriculture shall con-
19 duct a study to assess the types of, and practices using,
20 plant biostimulants (as defined in section 2 of the Federal
21 Insecticide, Fungicide, and Rodenticide Act (7 U.S.C.
22 136)) that best achieve the following:

- 23 (1) Increasing organic matter content.
24 (2) Reducing atmospheric volatilization.

(3) Promotion of nutrient management practices.

(5) Restoring beneficial bioactivity or healthy nutrients to the soil.

(6) Aiding in carbon sequestration, nutrient use efficiency, and other climate-related benefits.

14 (b) REPORT.—Not later than 1 year after the date
15 on which funds are first made available for the study
16 under subsection (a), the Secretary shall make publicly
17 available and submit to the Committee on Agriculture of
18 the House of Representatives and the Committee on Agri-
19 culture, Nutrition, and Forestry of the Senate a report
20 that describes the results of the study.
